Mr. Tim Spach  
Director  
Grand Junction Housing Authority  
8 Foresight Circle  
Grand Junction, CO 81505-1019

Dear Mr. Spach:

On behalf of the United States Environmental Protection Agency (EPA), I am pleased to congratulate you and confirm that the Grand Junction Housing Authority was selected as one of the entities EPA will begin negotiations with to award a cooperative agreement for a cleanup grant. The Grand Junction Housing Authority submitted an outstanding grant proposal, and we deeply appreciate the tremendous commitment of time and energy that went into its preparation.

Through the Small Business Liability Relief and Brownfields Revitalization Act of 2002, as amended by the Brownfields Utilization, Investment, and Local Development Act of 2018, EPA is working to help states and communities around the country clean up and revitalize brownfield sites. We fully expect that these brownfield projects will provide benefits to the environment and economy of local communities. Danny Heffernan, your Regional Brownfields Contact, will work closely with the Grand Junction Housing Authority to negotiate the cooperative agreement prior to the grant award. Please contact Danny Heffernan at 303-312-7074 or [heffernan.daniel@epa.gov](mailto:heffernan.daniel@epa.gov).

Again, congratulations on being selected! We look forward to working with you.

Sincerely,

A handwritten signature in cursive script that reads "David R. Lloyd".

Office of Brownfields and Land Revitalization
